

# FOOTBALL CHANCE

I hate to say it, but the NFL Season is right around the corner!! The Olympia Gymnastics Booster Club will again be running its Football Chance Raffle. We are asking each team family on levels 3 – Elite including Prep-Op and boys teams to sell tickets. This is a FUNdraiser for the OGBC that helps to keep the Booster Dues down to a minimum.

In your envelope are the tickets that you will need to sell. Please fill out the stubs so that we know whose mailbox to put your winning checks in. (way to think positive, eh?) Each week we will post the winners on a board that will stay in the Pro Shop and on the OlympiaBooster.com website. You will be able to follow along week by week to see who the winner(s) is. We will pay the top amount for all ties. If there is a tie, there will be no “lowest score” payout. At the end of the Regular Season, we will announce the winner of the \$400 Grand Prize. The back of the tickets will have your teams for each week. When your team has a bye for a given week (which all will eventually), you will not participate that week. For questions on the rules of football chance, visit [www.footballchance.com](http://www.footballchance.com). If you have any additional questions, you can email me at [kwesson@egtgo.com](mailto:kwesson@egtgo.com). Each week, the high and low number winners will be posted on the website. We usually post on Tuesdays, AFTER the Monday Night Football game.

After you have sold all of your tickets, please put the stubs and the money in the enclosed envelope, and put it in the OGBC box. We ask that all stubs and monies be turned in no later than **September 2<sup>nd</sup>, 2010**. The first game is September 9, 2010 and we need to input a lot of information before the season starts.

We need 100% participation to make this the great success that it was in 2009. This fundraiser helped to bring in over \$9000.00 to OGBC last year.

If you do not sell your allotted tickets, the amount will be billed to your Booster Club account after September 2<sup>nd</sup>, 2010. You can sell these tickets to family, co-workers, neighbors, friends – and they do not even have to like football or understand it! We will do all of the work for them!!!!

**GOOD LUCK AND GO GET ‘EM!!**
