Want to Earn Credits???

Need to earn credits? OGBC provides the opportunity for each member family to help earn credits by volunteering at local arenas working in the concessions stands. We do this at the Palace, DTE, Meadowbrook and Silverdome. These credits can be applied to your gym costs. Several families fully fund their dues by working these events. This is not just a parent opportunity. Other relatives and friends may also volunteer on behalf of your gymnasts. For more information please email ogbcevents@comcast.net.

Kroger Community Rewards Fundraising Program A Great Way to Earn Credit in your Individual Account!

The quarterly \$\$ amount Kroger sends to Olympia through the Community Rewards Program is dependent upon the number of families Olympia has registered with Kroger. The more families in the program the better it is for all of us. If you have already registered, consider encouraging family or friends to register to benefit your individual account.
