### Kroger Community Rewards Fundraising Program A Great Way to Earn Credit in your Individual Account!

Olympia Gymnastics Booster Club is participating in the Kroger Community Rewards Fundraising Program. After you have successfully registered as outlined below, whenever you make a purchase at a Kroger store in Michigan and swipe your REGISTERED Kroger Plus Card, a percentage of that purchase will be credited to your OGBC account on a quarterly basis. It's that simple. Once you have registered, just remember to swipe your Kroger Plus Card for each transaction. Four times each year, OGBC will receive a donation from Kroger based on our group's spending. We will also receive a detailed report, enabling us to credit individual accounts. **You can encourage friends and family to register their individual Kroger Plus Cards to earn credits in your gymnast's account as well. Recruit others to help your individual account!**

Step-by-Step Instructions for Registering for the Kroger Community Rewards Program can be found at:
