In order to financially support our gymnasts, our main fundraisers are gymnastic meets hosted by the Olympia Gymnastics Booster Club (OGBC). OGBC is a non-profit, 501(c)(3), organization requesting donations from local businesses.

OGBC is hosting the 9th Annual Athlete Warrior Challenge, a gymnastics invitational meet held at the Macomb Community College Athletic Center, January 25th thru January 27th, 2019. This event features approximately 1900+ gymnasts from across the United States and Canada during this weekend, along with their coaches, families and guests.

Our hope this year is to have this event be even more successful than the past, and in order for this to happen, we are asking for your support. Donations being requested are gift cards, pop, water, raffle items, flowers, baked goods, and of course, monetary sponsorships.

Anyone making a donation will be provided with a receipt for the cash value of their donation for tax purposes. Please contact Chad Gregory at chadgregory@olympiabooster.com with any questions.

Thank you for your support!!
