

Athlete Warrior Challenge 2022 Sponsorship Form

Tax ID: 38-3258770

Olympia Gymnastics Booster Club is proud to bring you the Athlete Warrior Challenge 2022! We at OGBC would like to present an amazing opportunity to promote your business and/or products for thousands of spectators over 2 full days of competition at the MCC Sports and Expo Center.

Instead of making programs this year we are opting to market with a banner opportunity. This banner will be hung throughout the gym visible to all spectators for the full 2-day competition period. After the competition vendors can keep their banner for their own personal marketing needs.

Below are the banner options:

4'x8' banner with metal corner rings \$500.00

This banner can consist of any logo, color, font, description the customer chooses and will be hung on the back wall of the gym facing the spectators.

2'x4' banner with metal corner rings \$250.00

This banner can consist of any logo, color, font, description the customer chooses and will be hung on the side walls of the gym or on the back of the bleacher as spectators enter the facility.

Please check the box above with the sponsorship banner of your choice and fill out the details below. Anyone making donations will be provided with a receipt for the cash value for tax purposes. All questions and artwork should be emailed to bradkleinow@olympiabooster.com
